STAR

Points (x3)

With red yarn

1. Work 6 sc in magic ring.
2. 1 sc in each st (6).
3. "1 sc, inc", repeat (9).
4. 1 sc in each st (9).
5. "2 sc, inc", repeat (12).
6. 1 sc in each st (12).

Fasten off.

Work and fasten off 2 points. Work and don't fasten off the last point to start **Joining the Points**

1. Starting from the point that you didn't fasten off, work 1 sc in the next point, but join on the inside. Then crochet 5 more sc.

Then work 1 sc in the last point, this time from the outside and continue around this point crocheting 11 more sc until completing the 12 sc that form it.

Continue working in the central point again on the inside another 6 sc and finish in the first point by crocheting 12 sc from the outside.

In this way you will have joined the 3 points, but, to crochet the central one on the inside and the sides on the outside, you will gain space between them to shape the star.

You will have 36 sc in all (3 points x 12 sc)

2. Start crocheting the central part of the star, in rounds and from the outside, 1 sc in each st (36).

3. 1 sc in each st (36).

4. Change to white yarn and work "4 sc, dec", repeat (30).

5. Work in back loops only 1 sc in each st (30). You will return to this round to complete the hat.

6. 1 sc in each st (30).

7. Change to skin color yarn and work in back loops only 1 sc in each st (30). You will return to this round to complete the hat.

8. 1 sc in each st (30).

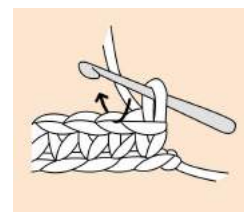

9. "4 sc, inc", repeat (36).

10. and 11. 1 sc in each st (36).

12. Change to white yarn and work 1 sc in each st (36).

You are going to start crocheting the 2 lower points. To do this you will divide the 36 sc into 2 halves of 18 sc that you will join in the central part. Place a mark (for example a piece of wool) so as not to get confused when you crochet.

Once you are clear on which stitches you should crochet, continue from where you left off, crocheting 1 sc in each st until you reach the first marked central st. Work 1 sc in the opposite side st and place the round marker to start crocheting the point.

1. 1 dec, 12 sc, 2 dec (15).
2. 1 dec, 9 sc, 2 dec (12).
3. 2 dec, 6 sc, 1 dec (9).
4. 1 dec, 3 sc, 2 dec (6).

Fasten off. Close the hole with the yarn needle.

Begin to stuff the star since you only have the last point to crochet.

With the point that you have just finished placed to the left, work 1 sc in the next stitch, then work another sc in the opposite stitch and place the round marker.

Follow the same pattern that you used to crochet the previous point.

Finish stuffing, fasten off and close the hole with the yarn needle.

COMPLETE THE HAT

With white yarn

1. Return to round 5 and holding the star with the red points pointing down, crochet in the free loops 1 sc in each st (30).
2. Inc in every st (60).
3. 1 sc in each st (60).
4. Dec in every st (30).
5. Work slip stitches joining the sc of this last round with the free loops of round 7. (30). Fasten off.
