LEGS (x2)

With blue yarn

1. Work 6 sc in magic ring.
2. Inc in every st (12).
3. "1 sc, inc", repeat to the end of the round (18).
4. 1 sc in each st (18).
5. Crochet in back loops only 1 sc in each st (18). You will return to this round to sew the feet in the free loops.
6. and 7. 1 sc in each st (18).
8. "2 sc, inc", repeat (24).
9. To 12. 1 sc in each st (24).
13. "3 sc, inc", repeat (30).
14. To 16. 1 sc in each st (30).

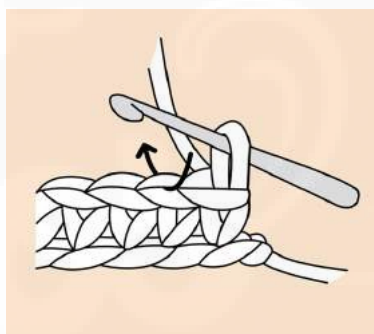

Fasten off the first leg. Follow the pattern to make the second leg and do not fasten off to join both legs.

Joining legs:

Place one leg next to the other leg; mark the center point between legs. Crochet in the leg that is not fastened off 1 sc in each st until you get the marker. Join the first leg with a sc, then sc in each st until you reach the marker and join the second leg with a sc.

Sew the hole between the legs closed with the yarn needle.

Continue crocheting the **BODY**:

BODY

1. You will have 60 sc.
2. "8 sc, dec", repeat (54).
3. "7 sc, dec", repeat (48).
4. 1 sc in each st (48).
5. Divide the piece into 2 equal parts of 24 sc each one (front and back) to begin crocheting the buttocks. Mark the back segment of 24 sc and crochet "3 sc, inc" 6 times, 1 sc in each st in the rest of the round (54). After crocheting on the back segment, continue marking the beginning and end of it, as this will guide you in future rounds. Move the round marker that you place to locate the beginning of each round in a normal way, without influencing the division.
6. Now the back segment has 30 sc and on them crochet "4 sc, inc" 6 times, 1 sc in each st in the rest of the round, thus maintaining unchanged the front segment. (60) Mark once again the back segment that now, after the increases already has 36 sc.
7. To 12. 1 sc in each st (60). Don't move the marks that you have left in round 6.
13. Use the marks as a guide and divide the body again in 2 parts (the back segment with 36 sc and the front segment unchanged with 24 sc). ATTENTION: You still do not have to remove the marks of round 6.

It is about reducing the buttocks, for which you will crochet on the back segment "4 sc, dec" 6 times, 1 sc in each st in the rest of the round. (54). Continue marking the segment.

14. Now the back segment has 30 sc. In this round you will equal both. For this, crochet "3 sc, dec" 6 times in the back segment and 1 sc in each st in the rest of the round (48). On this occasion it is not necessary to mark the segment, as the marks that will guide you in the future rounds will be those that you left on round 6.

15. and 16. 1 sc in each st (48).

17. In this round you will have to guide yourself again by the marks of round 6 to once again divide the body into 2 equal parts of 24 sc each, and be able to increase the belly, that is, the front segment. Thus, once this segment is marked, crochet on it "3 sc, inc" 6 times, 1 sc in each st on the rest of the round (54).

18. to 25. 1 sc in each st (54).

26. "7 sc, dec", repeat (48).
